COLES CUSTOMERS TO SAVE ON MUST-HAVE KITCHEN APPLIANCES AND ELECTRONICS

Coles Best Buys limited edition homewares expands to more stores

The popular Coles Best Buys offer is back this Friday featuring must-have kitchen appliances at great value including an 25L All-In-One Oven with Air Fryer rivaling top branded models for a fraction of the price.

For a limited time only and at selected Coles stores, there are 30 new and exciting products up for grabs from a 250W stick mixer for chopping, whisking and blending for just \$19.99 to a 6.5L slow cooker for \$29.99, a 3-tier food steamer and a vacuum food sealer for only \$39.99 each.

As part of the new range, there are also handy fridge organisers for just \$3.99 each and a dual screen DVD player with headrest straps for the car – an essential device to entertain the kids on long drives.

Following unprecedented demand, Coles is expanding its popular Best Buys program to an additional 30 supermarkets across Victoria, New South Wales, Queensland, South Australia and Western Australia, bringing the total to 88 stores.

Coles General Manager for Health & Home Jonathan Torr said Coles Best Buys has been overwhelmingly popular with customers.

"We are thrilled with the response to our new Coles Best Buys range and we're excited to be expanding the range to more stores across the country to make it even more accessible to our customers," he said.

"We think customers are in for a real treat this Friday. We've worked hard with our suppliers to provide exceptional value on essential kitchen appliances which we're confident our customers will absolutely love.

"Our All-In-One Oven with Air Fryer emulates department store models and has a 25litre capacity so you can cook an even larger pizza. It's 1800W, stainless steel with 10 pre-set functions and has full digital functionality – and we're offering it for just \$129!"

Coles Best Buys is a fortnightly event, landing on a Friday to help kick start savings for the weekend. Products are only available for a limited time and while stocks last.

Over the coming weeks, Coles Best Buys will continue to evolve with different themes and new products launching at more Coles stores nationwide. The stores are selected based on the space available for the merchandise to be displayed ensuring that customers can have a comfortable shopping experience.
