# Coles' governance framework

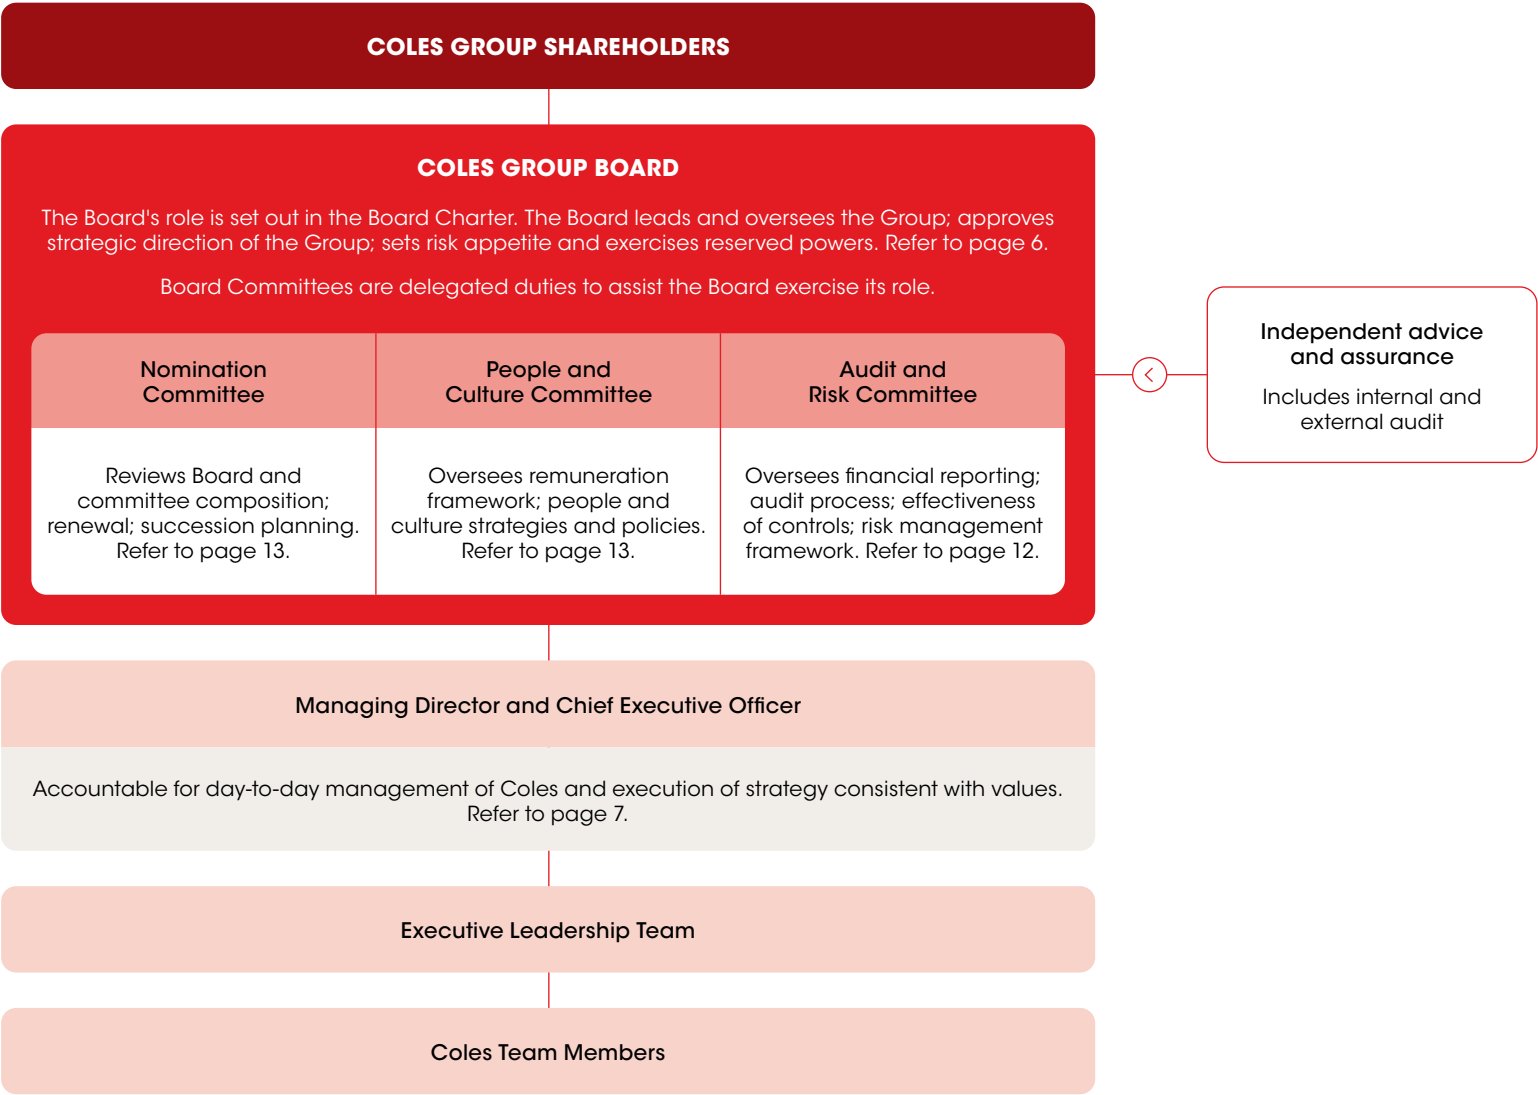

The Board and the management team of Coles Group Limited ('the Company') and the entities it controls (together, 'Coles', or 'the Group') are committed to high standards of corporate governance and believe a robust corporate governance framework to be central to the success of our business. We are committed to maintaining and building on the confidence of our stakeholders as we continue to strive to achieve our vision 'to become the most trusted retailer in Australia and grow long-term shareholder value'.

This Corporate Governance Statement sets out Coles' corporate governance framework for the financial year ended 30 June 2024 ('FY24' or 'reporting period'), including the key policies and practices. The Company complies with the fourth edition of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations (ASX Recommendations).

This Corporate Governance Statement is current as at 27 August 2024 and has been approved by the Board.

Further information about Coles' corporate governance framework and practices can be accessed on the Company's website at [colesgroup.com.au/corporategovernance](https://colesgroup.com.au/corporategovernance)

# Guided by our vision, focused on our purpose

## Our vision and purpose

Our purpose is 'Helping Australians eat and live better every day'.

Our priority is to provide our customers with leading food, drink and home solutions that are delicious and healthy.

We aim to deliver on our purpose by focusing on three strategic pillars:

- 'Destination for food and drink' is why our customers come to Coles and what we aspire to be known for. We will tailor our product range, quality, value, merchandising and communication to meet and surpass our customers' needs.
- 'Accelerated by digital' is how we intend to meet our customers' increasing digital usage by creating an easier, faster and more enjoyable omnichannel shopping experience.
- 'Delivered consistently for the future' is our focus on delighting our customers with our food and drink offering each and every day, today and into the future.

Underpinning our strategic pillars are two foundational building blocks:

- 'Win Together' is recognition that we only succeed together with our team, community and suppliers.
- 'Foundations' of financial discipline, technology, and data help us deliver on our strategic pillars and enable us to drive value for our stakeholders.

By focusing on what matters most to our customers and prioritising our investment accordingly, we are confident that Coles will deliver on our vision 'to become the most trusted retailer in Australia and grow long-term shareholder value.'

## Our values

Core to Coles' purpose is maintaining and building stakeholder relationships: shareholders, customers, suppliers, team members and the community. Our values drive how our more than 115,000 team members work together and show up, and they shape the culture that we aspire to. They guide our decisions, how we serve our customers and the communities that we work in every day.

It's important that our values represent the voice of our team members, which is why they were created by our people for our people.

Our values – *Care, Courage, Customers* and *Create* – known as the 4Cs, are unique to us. They represent the best of us today and inspire us to be better tomorrow. Our 4Cs are what makes us proudly Coles.

Our vision is to become **the most trusted retailer in Australia** and **grow long-term shareholder value**.

# Roles and responsibilities

## Board role and responsibilities

The Board provides leadership and approves the strategic direction and objectives of the Group in the long term interests of, and to maximise value to, shareholders.

The Board Charter outlines its responsibilities, including powers that are expressly reserved to the Board, and powers that are specifically delegated to the Chief Executive Officer (CEO) and management. In particular, the responsibilities of the Board include:

- approving and monitoring the implementation of the Group’s core values, Code of Conduct, vision, strategic direction, business plans and policies in order to uphold corporate reputation and maximise shareholder value;
- setting the risk appetite within which the Board expects management to operate;
- reviewing, approving and monitoring the Group Risk Policy and risk management systems (for both financial and non-financial risks), including internal compliance and control mechanisms;
- approving and monitoring the progress of major capital expenditure, capital management, capital raising initiatives and major acquisitions and divestments;
- overseeing the Group’s accounting and corporate reporting systems;
- monitoring and guiding the culture, reputation and standards of conduct of the Group to promote ethical and socially responsible behaviour, in accordance with the core values of the Group;

- approving the overall remuneration policy and the remuneration of the non-executive directors, the CEO, the direct reports to the CEO and any incentive and/or equity plans;
- overseeing that the remuneration policy is aligned with the vision, values, strategic objectives and risk appetite of Coles;
- receiving information regarding material breaches of the Code of Conduct and Anti-bribery and Corruption Policy and reports of material incidents under the Whistleblower Policy;
- overseeing the effectiveness of the Group’s sustainability and governance policies and practices, including exposure to climate change and other environmental risks and exposure to social risks;
- determining the size, composition and structure of the Board, and the process for evaluating its performance;
- appointing and removing the CEO and the Company Secretary, and approving and reviewing succession plans for the non-executive directors, executive directors, CEO, and the direct reports to the CEO; and
- satisfying itself that the Board reporting framework is appropriate and, where required, providing constructive feedback to challenge the CEO and the Executive Leadership Team.

The Board Charter was reviewed in FY24.

As part of its annual program, recurring items before the Board include strategy, safety, operations and performance, financial management and external reporting, people and culture, risk and sustainability. Directors also receive in depth briefings from management and subject matter experts on material issues as well as deep dives on areas of particular focus. Throughout the year, directors attend store and site visits.

In FY24, the Directors participated in workshops and meetings with retail industry participants covering a number of broad areas of focus including consumer trends, automation and developments in digital and technology. Further, as part of the launch of Coles’ Stretch Reconciliation Action Plan 2024–27, Directors and management participated in a First Nations cultural immersion on Wonnarua Country, engaging with Elders to better understand First Nations knowledge systems and how these can be further embedded into our business and ways of working.

As at the date of the statement, the Board comprises the following 9 Directors:

Current directors	Appointed	Length of service
James Graham AM	19 November 2018	5 years 9 months
Leah Weckert	1 May 2023	1 year 4 months
Terry Bowen	1 October 2022	1 year 11 months
Jacqueline Chow	19 November 2018	5 years 9 months
Abi Cleland	19 November 2018	5 years 9 months
Richard Freudenstein	19 November 2018	5 years 9 months
Andrew Penn AO	1 December 2023	9 months
Scott Price	1 October 2022	1 year 11 months
Wendy Stops	19 November 2018	5 years 9 months

Peter Allen has been appointed as an independent Non-executive Director, effective 1 September 2024.

 Details of the Directors, including their qualifications and experience, can be found on pages 54 to 57 of Coles’ **2024 Annual Report**.

Management role and responsibilities

The CEO, with the support of their direct reports, is responsible for the day-to-day management of the Group and its businesses. Under the Board Charter, the Board delegates all powers to manage the day-to-day business of the Group to the CEO, apart from the powers reserved specifically to the Board and any specific delegations of authority approved by the Board.

The key responsibilities of the CEO are set out in the Board Charter and include:

- managing and administering the day-to-day operations of the Group and its businesses to grow long-term shareholder value in accordance with the core values, strategy, business plans and policies approved by the Board;
- developing strategies for the Group, its businesses and management, and making recommendations to the Board on such strategies, having regard to the Group's core values, reputation and key stakeholders;
- supporting a culture within the Group that promotes ethical and socially responsible behaviour in accordance with the Group's core values;
- developing the Group's annual budget and conducting the Group's activities within the approved annual budget;

- developing and maintaining the Group's risk management framework and systems, including internal compliance and control mechanisms; and
- reporting regularly to the Board with accurate, timely and clear information, such that the Board is fully informed to discharge its responsibilities effectively.

While management is responsible for providing the Board with accurate, timely and clear information, the Board is responsible for satisfying itself that the framework for management reporting to the Board is sufficient. Where appropriate, the Board will provide constructive feedback to challenge the CEO and the Executive Leadership Team.

Members of the Executive Leadership Team have written employment contracts setting out the key terms of their employment, and appropriate background checks are conducted before a senior executive is appointed. These executives receive a mix of fixed annual remuneration and 'at-risk' remuneration, which comprises short-term incentives and long-term incentives.

Further information about Coles' remuneration framework and the review of performance outcomes can be found in the Company's Remuneration Report, on pages 62 to 80 of Coles' **2024 Annual Report**.

Role of the Chairman

The Chairman of the Board is James Graham, who is an independent, Non-executive Director. The Board Charter sets out the role of the Chairman, which includes to:

- maintain effective communication and promote constructive and respectful relationships between the Board and management;
- lead the Board;
- ensure the efficient organisation and conduct of the Board's function;
- brief all directors in relation to issues arising at Board meetings;
- chair general meetings of the Company;
- exercise such specific and express powers as are delegated to the Chairman by the Board from time to time; and
- represent the Board in communications with shareholders and other stakeholders.

Company Secretary

The Group Company Secretary is Daniella Pereira. The Group Company Secretary reports directly to the Board through the Chairman, and all Directors have access to the Group Company Secretary.

The Company Secretary's role is outlined in the Board Charter and includes coordinating the timely completion and dispatch of Board and committee papers, ensuring that the business at Board and committee meetings is accurately recorded in the minutes and assisting the Board and its committees on governance matters.

Director independence

The Board Charter states that the Board shall consist of a majority of non-executive directors who are considered by the Board to be independent.

The Board annually assesses the independence of each director, having regard to:

- any disclosures made by directors regarding their independence;
- the definition of independence set out in the ASX Recommendations;
- the relationships affecting the independent status of a director as described in the ASX Recommendations; and
- any other matters the Board considers relevant.

In addition, under the Charter, directors must immediately disclose to the Company Secretary and the Chairman any information, facts or circumstances of which they become aware, that may affect their independence.

The Board has reviewed the position and relationships relevant to each of the Directors in office as at the date of this Corporate Governance Statement and considers that all Non-executive Directors are independent.

Some of the Directors hold, or have previously held, positions in companies with which Coles has commercial relationships. The Board has assessed the relationships between Coles and the companies in which Directors hold or held positions and has concluded that in all cases the relationships do not interfere with the Directors' exercise of objective, unfettered or independent judgement or their ability to act in the best interests of Coles.

## Conflicts of interest

Coles has a Director Conflicts of Interest Policy, which states that directors:

- have a duty not to place themselves in a position that gives rise to a real or substantial possibility of conflict of interest or duty, in relation to any matter that is, or is likely to be, brought before the Board;
- have an ongoing obligation to disclose to the Board immediately any real or substantial possibility of conflict of interest or duty;
- are required to declare material personal interests or other conflicts requiring disclosure by formal standing notices; and
- follow the obligations and procedures set out in the policy in the event of a conflict or potential conflict of interest or duty.

## Independent advice

The Board Charter states that the Board, collectively, and each director individually, may obtain independent professional advice at the Company's expense, as considered necessary to assist in fulfilling their relevant duties and responsibilities.

# Board composition and succession

## Board composition

The Constitution states that the number of directors shall be not less than three directors and not more than 10 directors. Other than the Managing Director and CEO, directors may not retain office without re-election for more than three years or past the third annual general meeting following their last election or re-election. Any newly appointed directors are required to seek election at the first annual general meeting after their appointment.

The Board will review periodically its composition upon recommendation from the Nomination Committee, including the duration of terms served by directors and their skills and experience.

**Pictured:** Coles Group CEO Leah Weckert and Coles Group Chairman James Graham at the opening of the Kemps Creek Automated Distribution Centre. This is the second of two Witron facilities Coles has opened and is part of the Company's single biggest capital investment in its 110-year history.

## Director nomination and succession

The Nomination Committee is responsible under its charter for developing and reviewing Board succession plans, with the aim of maintaining an appropriate mix of skills, experience, expertise and diversity over time.

The Committee also oversees the process for recruiting new directors. Potential candidates for the Board as well as directors standing for re-election are assessed having regard to a number of factors including, but not limited to:

- skills, experience, expertise, personal qualities and attributes that will best complement the skill set and characteristics of existing directors and enhance Board effectiveness;
- diversity of Board composition;
- the capacity to devote the necessary time and commitment to the role; and
- potential conflicts of interest and independence.

Appropriate background checks are performed before any potential candidate is appointed by the Board or recommended to shareholders as a candidate for election.

Prior to directors seeking election or re-election at an annual general meeting, the Company provides shareholders with all material information known to the Board and relevant to a decision on whether or not to elect or re-elect that director in the notice of annual general meeting. Each director is provided with a letter setting out the terms of their appointment.

## Induction and professional development

All newly appointed directors will participate in an induction program, which includes information relevant to their new role, introductions to key staff and attendances at key sites. The induction includes briefings on the Group's business, strategy, financial, operational and risk management matters, and factors relevant to the sectors and environments in which Coles operates.

Where appropriate, the Company also provides training as part of the induction program on the following matters:

- the key duties and responsibilities of directors under the *Corporations Act 2001* (Cth) (Corporations Act) and the ASX Listing Rules (including the ASX's continuous disclosure and periodic reporting requirements); and
- accounting and financial matters.

The induction program is coordinated by the CEO, the Chief Financial Officer (CFO) and the Group Company Secretary.

Ongoing education programs are provided to Directors throughout the year. The Board (in consultation with the Nomination Committee) regularly assesses, including by reference to the Board skills matrix, whether there are areas in which Board members would benefit from further education. Based on this assessment, updates and information are provided to the Board from both management and external experts on various topics relevant to the Group's circumstances. This includes new and emerging business and governance issues relevant to Coles and material developments in laws and regulations.

## Performance reviews and evaluation

The Board undertakes a performance evaluation to review its performance and that of its committees and each Director at least once every two years (including the performance of the Chairman). The Chairman reports to the Board regarding the performance evaluation process and the findings of these reviews.

Following an external review in FY23, an internal Board effectiveness review to assess the performance of the Board as a whole and its committees was conducted in FY24. The responses were collated by the Group Company Secretary and the Chairman discussed the outcomes of the review with the Board.

Executives are also subject to an annual performance review in which performance is measured against agreed outcomes and performance indicators, having regard to the Coles values outlined on page 4. In FY24, the CEO conducted this assessment of members of the Executive Leadership Team in consultation with the Board. The CEO's performance was assessed by the Chairman, in consultation with the Board, against objectives relating to Group strategy, business plans and the financial and other performance of the business.

## Board skills matrix

The Board recognises the importance of having directors who possess a broad range of skills, background, expertise, diversity and experience in order to facilitate constructive decision-making and good governance.

The Board, on the recommendation of the Nomination Committee, determines the composition, size and structure requirements for the Board and regularly reviews its mix of skills to ensure it covers the skills needed to address existing and emerging business and governance issues relevant to the Company.

In FY24, the review of the Board's mix of skills and experience was undertaken with the assistance of an external consultant, with the aim of providing additional insight into the relative experience of each Director. As part of this process, three classifications were established for each skill (High level of skill/ extensive experience; Practised/relevant experience; Aware) along with criteria for each of these classifications. Directors then participated in interviews facilitated by the external consultant, who assisted in the calibration of each Director's individual skills and experience.

The outcome of the FY24 review and the current mix of skills and experience represented on the Board as at 27 August 2024 is set out in the following matrix. The Board considers that collectively they have the necessary skills and experience to deliver on Coles' vision 'to become the most trusted retailer in Australia and grow long-term shareholder value'.

# Board committees

The Board has established three standing committees and has delegated to each committee a number of duties to assist the Board in exercising its responsibilities and discharging its duties. Together, they play an important role in assisting the Board’s oversight and governance of the Group’s operations.

Each committee has a separate charter that sets out the roles and responsibilities of that committee, as well as the membership and any other requirements for the running of the committee. The committee charters were reviewed in FY24. All committees are chaired by, and comprise a majority of, independent Non-executive Directors. Each committee keeps the Board informed of its activities by providing the minutes of each meeting, and the Chair of each committee formally advises the Chairman of the Board of any matters or recommendations requiring the Board’s attention.

The members, composition and responsibilities of each committee are set out in the following tables.

Directors’ attendance at Board and committee meetings can be found on page 59 of Coles’ 2024 Annual Report.

## Market disclosure

The Company is committed to complying with its obligations relating to the disclosure of market sensitive information in a timely manner, and providing shareholders and the market with up-to-date information about the Group's activities. The Board receives copies of all material market announcements promptly after they have been released. The Company's Market Disclosure Policy establishes procedures aimed at ensuring the Company complies with the legal and regulatory requirements under the Corporations Act and the ASX Listing Rules. These procedures include the establishment of a Disclosure Committee, which monitors the continuous disclosure framework and is responsible for ensuring the Company complies with its obligations.

The Company's Market Disclosure Policy can be found at [colesgroup.com.au/corporategovernance](https://colesgroup.com.au/corporategovernance)

## Communication with shareholders

The Company aims to communicate all important information relating to Coles to its shareholders and implements processes to facilitate effective two-way communication with shareholders and other stakeholders. The Company recognises that potential investors and other interested stakeholders may wish to obtain information about Coles from time to time.

**Pictured:** Images from Coles' 2023 Annual General Meeting including, on the left, Chairman James Graham and CEO Leah Weckert.

To achieve this, the Company communicates information to its shareholders and other stakeholders regularly through a range of different forums and publications, including:

- The Company encourages its shareholders to participate in its annual general meeting by attending, exercising their voting rights and asking questions of the Board. The Company will conduct voting on all substantive resolutions at the annual general meeting on a poll, ensuring that voting outcomes reflect the proportionate holdings of all shareholders who vote (whether through direct voting, by proxy, in person, online, or by mail).

- The Company's external auditor will attend the annual general meeting and be available to answer questions from shareholders on the conduct of the audit.
- The Board will seek approval of shareholder matters as required by the Company's Constitution, the Corporations Act and the ASX Listing Rules, or where otherwise considered appropriate by Directors.
- The Company has an investor relations program in place, which includes scheduled and ad hoc briefings with analysts, investors and other stakeholders, including some briefings on a one-on-one basis. All new and substantive investor and analyst presentation materials are lodged with the ASX and published on the Company's website prior to a briefing.

- Regular releases of information are made through the ASX market announcements platform, including the release of the annual report and full and half-year results.
- The Company's website provides up-to-date information about Coles and its operations, the corporate governance framework, the Board and management, ASX announcements, the share price, dividend distributions and other relevant information.
- The Company gives shareholders the option to receive communications from, and to send communications to, the Company and its share registry electronically.

# Prudent risk management

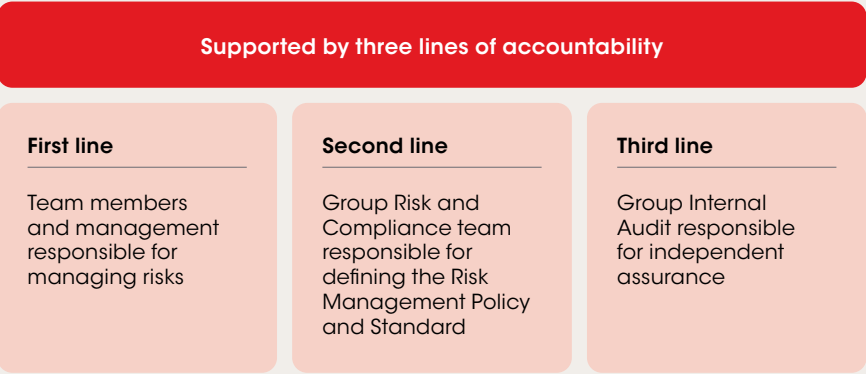

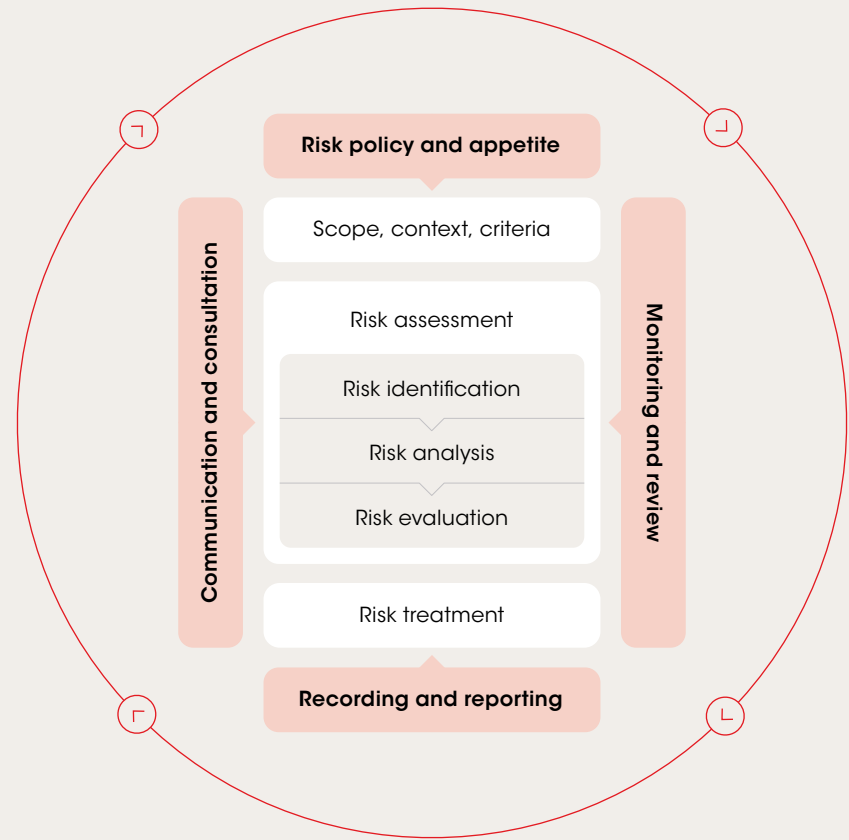

Coles’ organisational arrangements and requirements for managing risk are set out in Coles’ Risk Management Policy and Coles’ Risk Management Standard (previously called the Framework). In FY24, the Risk Management Policy and the Risk Management Standard were reviewed with the Board approving amendments.

The design of both the Risk Management Policy and the Risk Management Standard are based on ISO 31000:2018 Risk management – Guidelines (ISO 31000), which provides a consistent and internationally recognised set of principles and guidelines for managing risks in organisations.

The main components of Coles’ risk management framework are provided in Coles’ Risk Management Policy and Coles’ Risk Management Standard.

The main components of Coles’ risk management framework are:

- Risk Policy**  
Details Coles’ commitment and expectations for risk management.
- Risk Accountability**  
Defines roles and accountabilities for managing, communicating and reporting risks.
- Key Activities and Requirements**  
Defines key activities for risk management, responsibilities and frequency.
- Risk Appetite**  
Defines Coles’ risk appetite and articulates how it is applied and reported when managing risks.
- Risk Management Process**  
The risk management process that is applied within Coles’ business, supported by common definitions and tools.
- Risk Behaviours and Attitudes**  
Defines Coles’ desired risk behaviours, attitudes and learning requirements.
- Tools and Technology**  
Defines the supporting tools and technology for risk management.

The objective of Coles’ risk management framework is to embed risk management within our business operations and accountabilities to:

- support the pursuit of our strategic and operational objectives while managing risks within a pre-defined level of appetite;
- inform decision-making and establish appropriate risk management responses; and
- provide the Board and Executive Leadership Team with transparent and timely information to enable appropriate oversight of Coles’ risks and mitigations.

Responsibility for overseeing Coles’ risk management framework rests with the Board. The Audit and Risk Committee assists the Board in fulfilling its responsibilities by:

- reviewing the Group’s risk management framework, including Coles’ Risk Management Policy and Coles’ Risk Management Standard, (at least annually) to satisfy itself that the framework continues to be sound;
- assessing whether the Group is operating with due regard to the risk appetite set by the Board;
- reviewing the effectiveness of the Group’s systems of internal control (for both financial and non-financial risks); and
- reviewing and recommending to the Board relevant Group risk management and governance policies that require Board approval.

The CEO and Executive Leadership Team are responsible for maintaining and implementing Coles’ risk management framework. This includes the identification, measurement and mitigation of risks across the Group in accordance with the risk appetite set by the Board, and leading and supporting the development of a risk-aware culture.

One of the core components of our risk management framework is the risk management process, which sets out the requirements and criteria for assessing and reporting risks to which Coles has a material exposure (i.e. ‘material risks’) including environmental and social risks.

A summary of these risks and their mitigations is set out on pages 30 to 37 and 43 to 49 of Coles’ **2024 Annual Report**.

Further information about our environmental and social risks, our approach to managing them, and our sustainability performance is available in Coles’ **2024 Sustainability Report**.

Material risks, along with their controls and treatment plans, are monitored for adherence to risk appetite and changes in their exposure, and are reported to the Audit and Risk Committee during the course of the year, along with information on emerging risks.

Members of the Executive Leadership Team are assigned as Risk Owners to each material risk, and are responsible for the management of that risk and presenting any additional risk reports to the Board and committees. These reports provide further discussions on the management of risk in areas that are key to the success of the business including adherence to risk appetite.

In FY24, Coles implemented initiatives that have continued to drive an uplift in its risk management maturity, including ongoing development and implementation of its technology platform to facilitate the management of risks.

We continued to track key risk indicators, risk mitigation and audit actions, and implement major risk and compliance programs. This included our Critical Infrastructure Risk Management Program, the objective of which is to manage material risks to the continued distribution and supply of essential food or groceries to the Australian community and to meet our obligations under the *Security of Critical Infrastructure Act 2018* (Cth).

We also continued to refine our project risk management processes and capabilities, including through enhanced program and project prioritisation, governance and oversight structures and mechanisms.

Further, we continued to improve the design and operationalisation of our Goods Not For Resale (GNFR) third party risk management requirements and procedures and progressed risk assessments of our engagements with GNFR third parties.

Key internal stakeholders were surveyed to better understand current attitudes and behaviours related to risk management, and to identify current strengths and improvement opportunities. We conducted face-to-face risk management training to team members whose roles involve supporting and engaging the broader business in management of risk, in addition to online risk training.

We completed our annual review of our risk management framework with the purpose of enhancing its design and identifying opportunities to further embed risk management within our operations. These opportunities inform our risk management strategy and Group Risk Plan for future years.

In respect of FY24, the Audit and Risk Committee has undertaken a review of the risk management framework in relation to the reporting period and is satisfied that it continues to be sound, and that the Group is operating with due regard to the risk appetite set by the Board.

Internal audit

Coles has an Internal Audit function that is led and overseen by management and supported by an independent third party. The function is responsible for independent assurance over Coles' governance, risk management and internal control processes. Under Coles' risk management framework, Internal Audit is responsible for:

- providing independent assessment and assurance to the Board and Executive Leadership Team regarding the effectiveness of controls in place to manage particular risks; and
- providing feedback to enhance the risk management framework and supporting processes and activities, with the aim of strengthening the control environment.

The Audit and Risk Committee is responsible under its charter for overseeing the performance and function of Internal Audit. This includes:

- reviewing with management the terms, including the scope, of the internal auditor's engagement in order to make recommendations to the Board concerning the appointment, re-appointment, rotation and removal of internal auditors;
- reviewing, assessing and approving the appointment, replacement or termination of the Head of Internal Audit and Assurance;
- approving the Internal Audit Charter and annual Internal Audit Plan and ensuring its alignment with the risk profile of the Group;
- receiving reports from Internal Audit and reviewing the scope and adequacy of the Internal Audit work plan; and
- reviewing, assessing and monitoring management's responsiveness to Internal Audit findings.

External audit

Coles' external auditor is Ernst & Young. The Audit and Risk Committee is responsible for reviewing and approving the terms and scope of the external auditor's engagement and making recommendations to the Board regarding the appointment, re-appointment, rotation and removal of the external auditor.

The Committee provides an annual report to the Board with respect to whether the non-audit services provided by the external auditor during the year were compatible with the general standards of independence for auditors in accordance with the Corporations Act.

Management assurances and certification

Prior to approval of the financial statements for each full year and half year relevant to a reporting period, the Board receives written certifications from the CEO and the CFO in relation to the Company's financial reporting processes.

In respect of the financial statements for the half year ended 31 December 2023 and the full year ended 30 June 2024, the CEO and the CFO declared that:

- in their opinion, the financial records have been properly maintained and that the financial statements comply with the appropriate accounting standards, and give a true and fair view of the Group's financial position and performance; and
- their opinion has been formed based on a sound system of risk management and internal control which is operating effectively.

Integrity in financial reporting

The Audit and Risk Committee assists the Board to fulfill its responsibilities in overseeing the Group's processes which ensure the integrity of financial statements and reporting, compliance with legal and regulatory requirements, review of material changes in accounting or reporting requirements and assessment of subsequent effects on the Group's policies and practices.

The Company's external auditor is responsible for auditing Coles' Financial Report, consolidated entity disclosure statement and the Remuneration Report included in the annual Directors' Report. Coles' half year Financial Report is also reviewed by the external auditor.

For periodic corporate reports released to the market that are not audited or reviewed by the Company's external auditor, management has developed practices and guidance material that are intended to ensure the integrity of the information disclosed to the market. As part of the Company's processes, the reports are prepared by, or under the supervision of, subject matter experts. Material statements in the reports are reviewed for accuracy and are subject to internal verification and sign-off processes. Confirmation of the verification processes are then provided to the Audit and Risk Committee and/or the Board or relevant Board Sub-Committee.

# Diversity and Inclusion

As one of the largest private-sector employers in Australia with more than 115,000 team members, we are focused on creating a diverse, inclusive and vibrant workplace for all.

## Diversity and Inclusion Policy and framework

The Board is responsible for the review and oversight of Coles' Diversity and Inclusion Policy. The Policy requires the Board to set measurable objectives for achieving gender equity and other key diversity targets and to assess annually both the objectives and the Group's progress in achieving them.

Our previous suite of Diversity and Inclusion targets concluded in December 2023.

In FY24 we launched a new FY24-27 Diversity and Inclusion strategy to foster an open and welcoming culture where everyone feels valued.

The FY24-27 strategy focuses on five areas, including a new focus area of cultural diversity in addition to the existing focus areas of Indigenous engagement, gender equity, pride and accessibility; and lays out ten new performance targets.

These performance targets are designed to:

- increase the diversity of our leadership;
- continue to build inclusive workplaces and stores; and
- amplify our impact through partnerships, community and supplier engagement and best practice external benchmarking.

We also launched our first Stretch Reconciliation Action Plan in 2024, with a focus on building our Indigenous team member representation year on year and increasing the number of Indigenous team members in management and leadership roles to 3%.

The Board continues to provide strong leadership, supporting management to achieve our ambition for a diverse workforce and inclusive culture.

For more information, refer to Coles' **2024 Sustainability Report**.

FY24 gender equity objectives

During FY24, Coles continued to make progress on gender equity and other key diversity targets. Our FY24 gender equity objectives and progress against them is set out in this section. Our progress against the remaining focus areas can be found in Coles’ 2024 Sustainability Report.

**Pictured:** Coles team members Bhavana and Rebecca are participants of the Store Manager Accelerator Program. This has been created for high potential candidates to accelerate progression into a Store Manager role with Coles.

1. Sustain 40/40/20<sup>1</sup> on the Board

In FY24, the percentage of female Board members was 44.4%, unchanged from 2023.

2. Sustain 40/40/20<sup>1</sup> in our leadership population<sup>2</sup>

Population <sup>3</sup>	Executive Leadership Team <sup>2</sup>	Senior Executives <sup>4</sup>	All leadership roles <sup>5</sup>
Target	40% of women in leadership positions		
FY23 female representation	41.7%	46.4%	41.5%
FY24 female representation	50.0%	42.7%	42.5%

The percentage of women in all leadership roles increased from 41.5% in FY23 to 42.5% in FY24, putting us ahead of our 40% women in leadership target. The increase in the overall percentage of females in all leadership roles reflected the concerted effort across all functions where gender was not balanced, with a continued focus on Technology and Operations.

In the Executive Leadership Team, the female proportion in this group has increased from 41.7% in FY23 to 50.0% in FY24. The percentage of female senior executives (which comprises the Executive Leadership Team and General Managers) decreased from 46.4% in FY23 to 42.7% in FY24.

Looking more broadly at women in management – a category that includes key leadership roles such as Coles Liquor store managers, Coles Supermarket department managers, Coles Services area managers as well as team leaders and people leaders in the distribution centres – the percentage increased from 45.6% in FY23 to 45.9% in FY24<sup>3</sup>.

Across all roles, females represent 48.6% of team members<sup>3</sup>.

3. Maintain pay parity and reduce the gender pay gap

In FY24, we maintained our pay parity gap at less than 1%.

Coles is committed to maintaining pay parity by having the right policies, practices and governance in place to achieve balance and offer the same opportunities to all team members to build great careers at Coles. As at 30 June 2024, our median gender pay gap is 4.4%, while our mean gender pay gap is 6.1%.

Workforce profile<sup>3</sup>

For FY24, the proportion of females and males on the Board, in senior executive positions (being members of the Executive Leadership Team and team members who are in the position of General Manager) and across the workforce, are illustrated in the following graphics:

1. 40/40/20 refers to gender targets of 40% men, 40% women and 20% of any gender.  
2. Includes CEO.  
3. For FY24, all population categories are reported as at 3 July 2024 reflecting the Group’s final payroll cycle for FY24. All categories are reported on the same basis as Coles’ 2023 Corporate Governance Statement.  
4. Senior Executives comprise the Executive Leadership Team and General Managers.  
5. All leadership roles comprise the Executive Leadership Team, General Managers, team members pay grade eight and above and supermarket store managers. Pay grade eight and above includes middle managers and specialist roles.

# A culture of acting lawfully, ethically and responsibly

The Company has a number of policies that outline expected standards of behaviour and promote a culture of acting lawfully, ethically and responsibly. These policies include the following:

## Code of Conduct

The Company has a Code of Conduct that sets out the standards of behaviour expected of its directors, team members and contractors in their interactions with customers, suppliers, the community and each other. The Code of Conduct sets out the Company's values. The Code of Conduct was reviewed and updated in FY24 to align with legislative and internal policy changes.

The Company's Code of Conduct can be found at [colesgroup.com.au/corporategovernance](https://colesgroup.com.au/corporategovernance)

## Securities Dealing Policy

The Company has a Securities Dealing Policy to ensure compliance with insider trading laws; protect the reputation of the Group, its directors and team members; maintain confidence in the trading of the Company's securities; and prohibit specific types of transactions. In general, directors, members of the Executive Leadership Team and other executives at the general manager level and above (Restricted Persons) may not deal in the Company's securities during specified periods (known as 'blackout periods') that cover the period

leading up to and immediately following the release of the quarterly retail sales results, half-yearly results and full-year results. Outside of these blackout periods, Restricted Persons must seek prior approval to deal in the Company's securities from the Company Secretary (or their delegate).

In all cases, Restricted Persons and team members more broadly (and their Connected Persons) are prohibited from dealing in securities when they are in possession of 'inside information'.

The Securities Dealing Policy also covers the Company's policy on hedging of Company securities.

The Company's Securities Dealing Policy can be found at [colesgroup.com.au/corporategovernance](https://colesgroup.com.au/corporategovernance)

## Whistleblower Policy

As part of the Company's commitment to the highest standards of conduct and ethical behaviour in all its business activities, the Company has a Whistleblower Policy that encourages anyone to come forward with concerns. The Policy, which was reviewed and updated in FY24, requires Coles team members, directors and officers who have reasonable grounds to suspect that 'Potential Misconduct' has occurred or is occurring within or against Coles to make a report. The Policy also encourages anyone else who has reasonable grounds to suspect that 'Potential Misconduct'

has occurred or is occurring within or against Coles to make a report. Potential Misconduct is any suspected or actual misconduct or an improper state of affairs or circumstances in relation to Coles. It includes any unethical, illegal, corrupt, fraudulent or undesirable conduct or any breach of the Company's policies such as its Code of Conduct by a Coles director, team member, contractor, supplier, tenderer or any other person who has business dealings with Coles.

Coles team members may raise any concerns internally. Additionally, anyone (including Coles team members, suppliers and contractors) may make anonymous reports by telephone or email to the Stopline Hotline, an independent and confidential reporting line. The Policy emphasises that Coles will not tolerate anyone being discouraged from speaking up or being adversely affected because they have reported misconduct in accordance with the Policy.

The Company's Whistleblower Policy can be found at [colesgroup.com.au/corporategovernance](https://colesgroup.com.au/corporategovernance)

## Appropriate Workplace Behaviour Policy and Sexual Harassment Policy

The Company is committed to creating a workplace that is safe, respectful and inclusive and that aligns to our values of having *Care* for each other and having the *Courage* to make the right choices. Two Company policies are important in achieving this: the Sexual Harassment Policy and the Appropriate Workplace Behaviour Policy. The Sexual Harassment Policy was introduced in FY24 and the Appropriate Workplace Behaviour Policy was reviewed and updated in FY24.

The Sexual Harassment Policy outlines how Coles manages sex-based misconduct and reiterates Coles' commitment to a safe workplace aligned to our values. The Appropriate Workplace Behaviour Policy sets out the standard of behaviour expected of Coles team members and addresses how Coles manages inappropriate workplace behaviour. Both policies apply to all Coles team members. They also apply to third parties including contractors, business partners (such as suppliers), consultants, participants and customers, as they relate to our team.

A guide to the Coles Sexual Harassment Policy and Appropriate Workplace Behaviour Policy can be found at [colesgroup.com.au/corporategovernance](https://colesgroup.com.au/corporategovernance)

Sustainability, Health, Safety and Wellbeing

Coles is committed to providing a safe and healthy environment for team members, customers, suppliers, contractors, visitors and supply chain partners. The Health, Safety and Wellbeing Policy, which was reviewed in FY24, describes the systems and processes in place to manage the risks and hazards that come with operating Coles’ business and ensure Coles’ actions are appropriate to our risk profile.

The Company’s Health, Safety and Wellbeing Policy can be found at [colesgroup.com.au/corporategovernance](https://colesgroup.com.au/corporategovernance)

The Audit and Risk Committee is responsible for overseeing the effectiveness of systems of internal controls and the risk management framework, including Coles’ exposure to environmental risks.

Details of Coles’ material exposure to environmental and social risks, as well as details of how Coles manages these risks, are referred to in the Risk Management and Climate Change sections of our 2024 Annual Report (noting we seek to align with the recommendations of the Taskforce on Climate- related Financial Disclosures).

Additional information in relation to these risks is also available in Coles’ **2024 Sustainability Report**.  
  
The risk management sections can be found on pages 30 to 37 and 43 to 49 of Coles’ **2024 Annual Report**.

Anti-bribery and Corruption Policy

The Company has an Anti-bribery and Corruption Policy. The Policy stipulates that Coles has zero tolerance for bribery and corruption in any form. It prohibits directors and team members from engaging in activity that constitutes bribery or corruption, and sets out a number of guidelines to assist team members to determine what constitutes bribery or corruption. It covers any activity or behaviour undertaken in connection with Coles, regardless of the geographical location in which that activity or behaviour occurs.

The Company’s Anti-Bribery and Corruption Policy can be found at [colesgroup.com.au/corporategovernance](https://colesgroup.com.au/corporategovernance)

Other policies

The Company has a number of other policies that outline expected standards of behaviour of directors, team members and contractors, including:

- Confidentiality Policy
- Conflict of Interest Policy
- Delegation of Authority Policy
- Environment Policy
- Ethical Sourcing Policy
- Gifts, Events and Entertainment Policy
- Political Donations Policy
- Privacy Policy
- Sanctions Policy

These policies can be accessed by team members on the Company’s intranet.

The Company continually assesses and upgrades its policies and procedures to ensure compliance with corporate governance requirements.
